October 2013

Fall Reminders

Save the Date!

November 13, 2013 – ANNUAL MEETING will be held at the Northern Heights Elementary school at 6:00 p.m..

Come and get your name entered in our lottery to have your 2014 dues paid in full.

We need a quorum of members to conduct business, so please join us. If you cannot attend, please approach a neighbor or officer to serve as your proxy.

Robert Moulton, President

Diane Roy, Vice President

Pam Englett, Secretary

Marty Sauvage, Treasurer

Randy Tarter, At Large

Sharon King, At Large

Autumn Weather Has

Come: It's the season for gales and gusts, and a lot of rain. Please check to see if the gutters around your property are clear of leaves, so we can avoid flooding.

Trees and Bushes: The bushes and trees that overhang the sidewalk are the responsibility of the homeowner. It's up to you to make sure that they remain trimmed sufficiently to allow people to walk on the sidewalks and to keep branches from the street light sensors, the little blue casings above the street

light. Our neighborhood is responsible for these and they cost about \$500 a piece!

Dog Owners: We love your little pups, but not everything they leave behind. Please remember to take a bag with you when walking your dogs, and keep an eye out for your doggie's deposits on your neighbor's yard.

Noise Concerns: We try to keep our neighborhood peaceful for the enjoyment of all. Anyone who has concerns about noise, including dogs barking,

can visit our website to find information on the law and available resources.

Visit our website! This is your all access pass to our meeting minutes, newsletters, covenants, bylaws, etc. at www.northernheights.org

Contact the Board! You can contact the Board with any questions or concerns anytime at board@northernheights.org

School News

Squalicum High:

The Student Council at Squalicum would like to add honor roll Juniors to the Seniors right to leave campus for lunch. This will be tried on a three month basis until December. Those allowed will have stickers to show and there will be personnel tracking this. Please let the Board know if you see a big increase in kids doing anything of concern in the neighborhood. This will be reevaluated in December.

Northern Heights:

The Safety Committee at the school has been working with the City and County and your NHCA Board to resolve safety concerns for the elementary school kids in the neighborhood. The Safety Committee is working toward a spring time letter to the City and County planners requested by them about everyone's concerns and possible resolutions. This has been a concern of residents for several years. We are talking about some crosswalks, speed bumps or pillows, and signing of the trailhead. If you have input, please feel free to write the Board at board@northernheights.org.
